### Angela Adams Bedding

Have you heard that [Angela Adams bedding](#) is now being offered exclusively at Marshall Fields? Her bedding, bath and decorative accessories line kicked off on Jan. 15th, and it's worth investigating. For now, there seems to be only one pattern, "Lulu", but I'm sure more will follow.

Thanks Brent, a loyal decor8 reader in Minneapolis (aka our roving style reporter), for letting us know about Ms. Adams line. Brent also mentioned that out in Minneapolis, Lulu is on sale at Marshall Fields for 25% off and there is a coupon for an additional \$25 off a purchase of \$100 or more. That translates into the Lulu duvet costing an affordable \$125!

[Shop online](#) for Angela Adams bedding. Her bath and decorative accessories should be available on fields.com soon!

And you thought the rugs were nice...
